Landed Estates Court, }
12 February 1867. }

Henry Carey, Registrar.

WITH reference to that portion of the Order of the House of Commons which directs a Return of the "Number of Petitions for Sale presented to the Court during the four years ending the 31st December 1866, specifying the quantity of land and net annual rental referred to in each petition," it is to be observed that the petitions filed by incumbrancers do not in a great many instances set forth the quantity of land sought to be sold, the petitioners being for the most part ignorant of the particulars of the estates; but the Returns annually furnished to the Home Office set forth, amongst other particulars, the net annual rental of each estate, so far as the same is stated. These Returns have been made up to the 1st November last, pursuant to the Act 21 & 22 Vict. c. 72, s. 25.

Henry Carey, Registrar.
